

## **Disclaimer for QUACKS Token Acquisition**

By accepting the terms of this disclaimer, you acknowledge and agree to the following conditions related to your purchase of QUACKS tokens:

1. **Compliance with Local Laws:** You confirm that the sale and acquisition of QUACKS tokens comply with the laws and regulations applicable in your jurisdiction.
2. **Informed Purchase:** You affirm that you thoroughly understand the QUACKS token, having read and comprehended the duckpools whitepaper in its entirety.
3. **Vesting Address Provision:** The QUACKS tokens you purchase will be dispatched to your specified vesting address. If no address is provided, the default vesting address will be the address from the first input of your payment transaction.
4. **Refund Policy for Cardano Wallet Users:** If you use a Cardano wallet and fail to set your Ergo vesting address in the public message of your transaction, your purchase shall be refunded minus any transaction fees. The refund will be processed to the address from input 0 of your payment transaction.
5. **Token Distribution Schedule:** You acknowledge that the vested tokens will be distributed to your designated vesting address weekly over six months following the sale round closure. The total amount of tokens dispatched will equate to your purchase amount in USD (\$0.0328 per QUACKS token) multiplied by the reported value of the asset used for the purchase. This valuation will be based on the prices listed on CoinGecko and Spectrum when your transaction is confirmed on the blockchain. Please be aware that the final quantity of QUACKS tokens received may vary from the amount initially reported on the IDO page due to potential price discrepancies between the transaction signing and confirmation.
6. **Limitation of Liability for Technical Issues:** The token sale conductor commits to reasonable efforts to ensure the accurate delivery of your purchased QUACKS tokens to the provided vesting address. However, it's acknowledged that unforeseen technical difficulties may occur. Should such technical issues impact the delivery of QUACKS tokens, the conductor of the token sale assumes no liability for any resulting losses.
